Approximately \$ 9000

Rationale

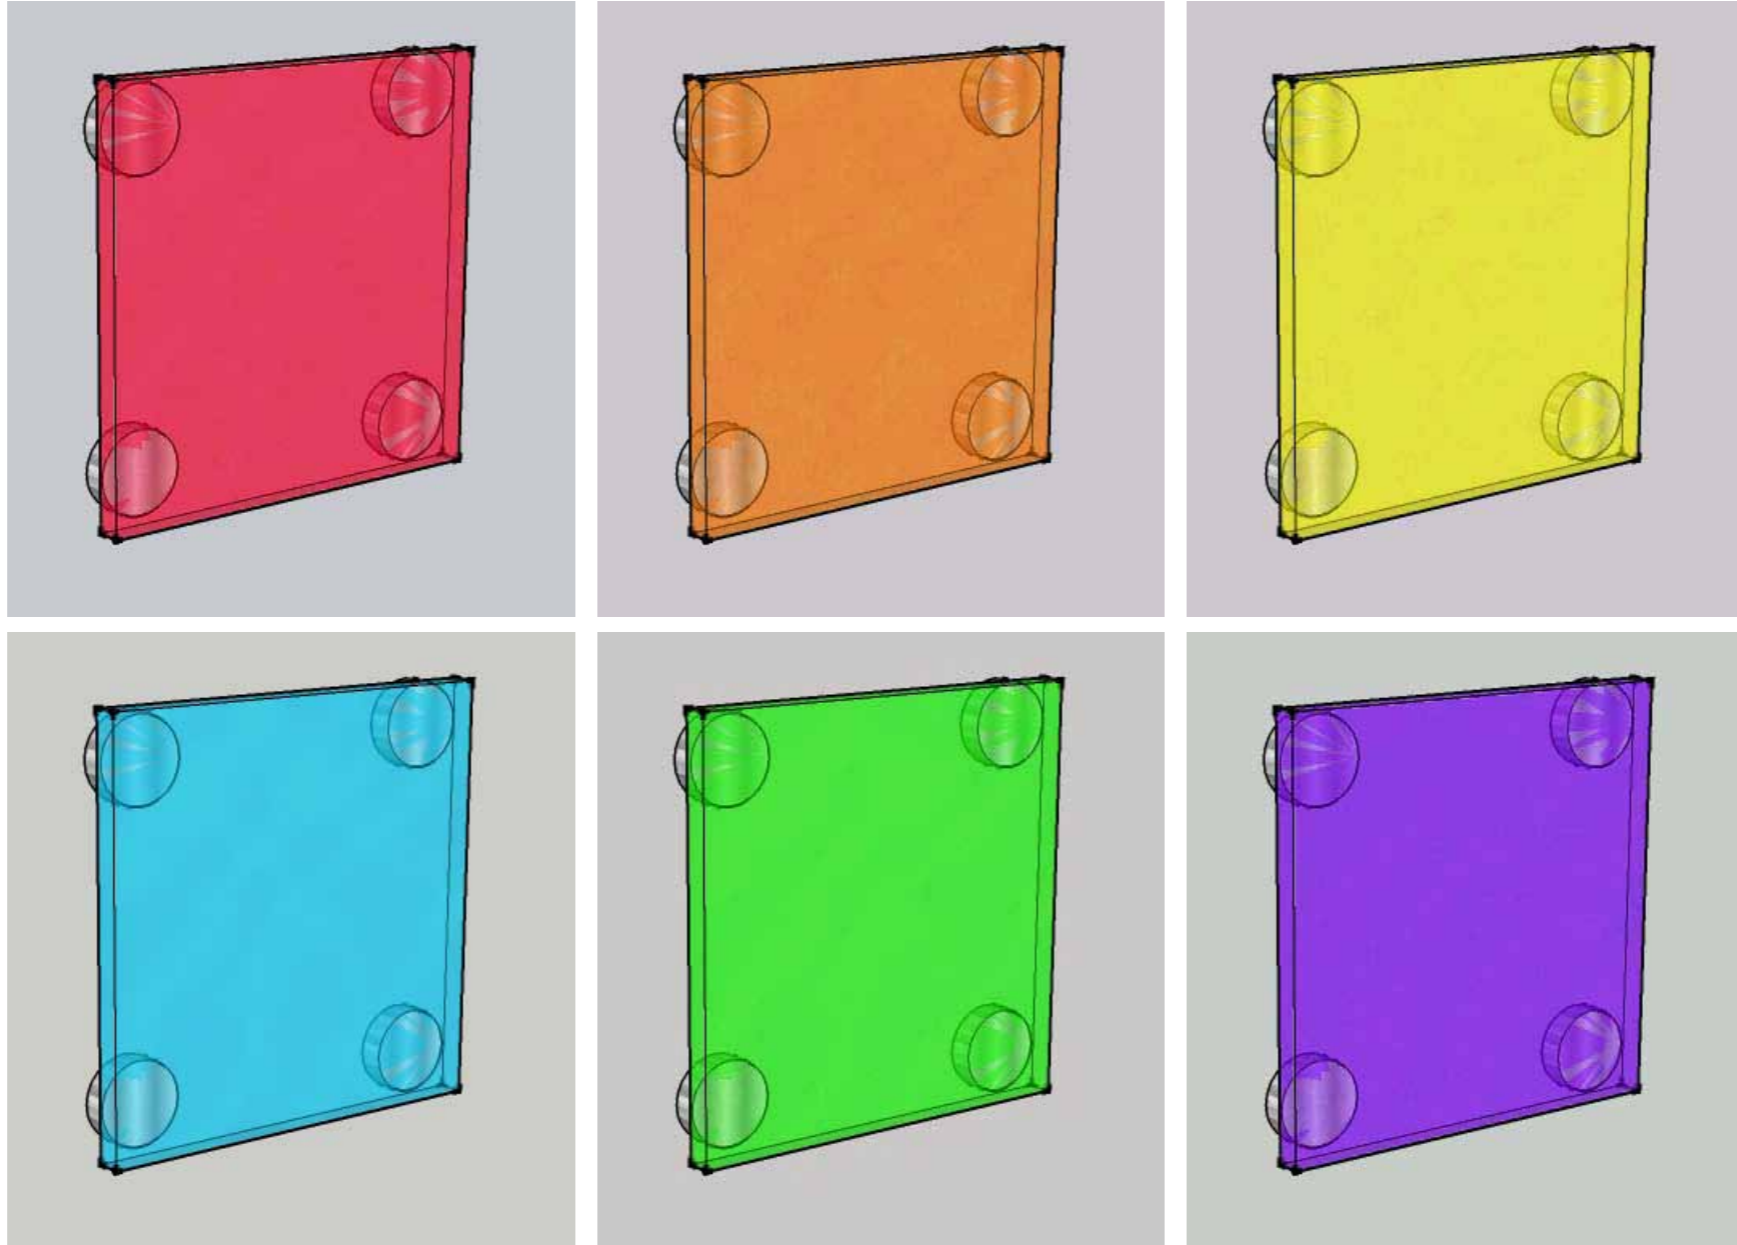

The Design was using the different square sheet with different variety of color. The color represent the different things surrounding our life. The story of happy, angry, sad, worry and etc. When people walk by the museum, they will be attract by the colourful and wonderful enviroment. We can desing the panel sheet by create the words or different type of pattern.

“Good Old Days”

Materials and installation :

**Material : Acrylic Panel
30cm x30 cm**

Color : Transperency

Supplier :

Acrylic Panel
Engineered & Industrial Plastic
www.eplas.com.au

WESTERN AUSTRALIA. (Perth)
E-PLAS Pty Ltd
7 Brennan Way, Belmont. 6104
Phone: 08 9479 5977
Fax: 08 9479 5944

Costing :

Acrylic Panel (Size : 2440mm x 1220 mm)

We can cut out 32 sheet / panel

The wall required 1080 sheet

Total for walls = 900/32
= 30 (Sheet panel require)

30 (Sheet panel require) x \$ 234
= \$ 7020

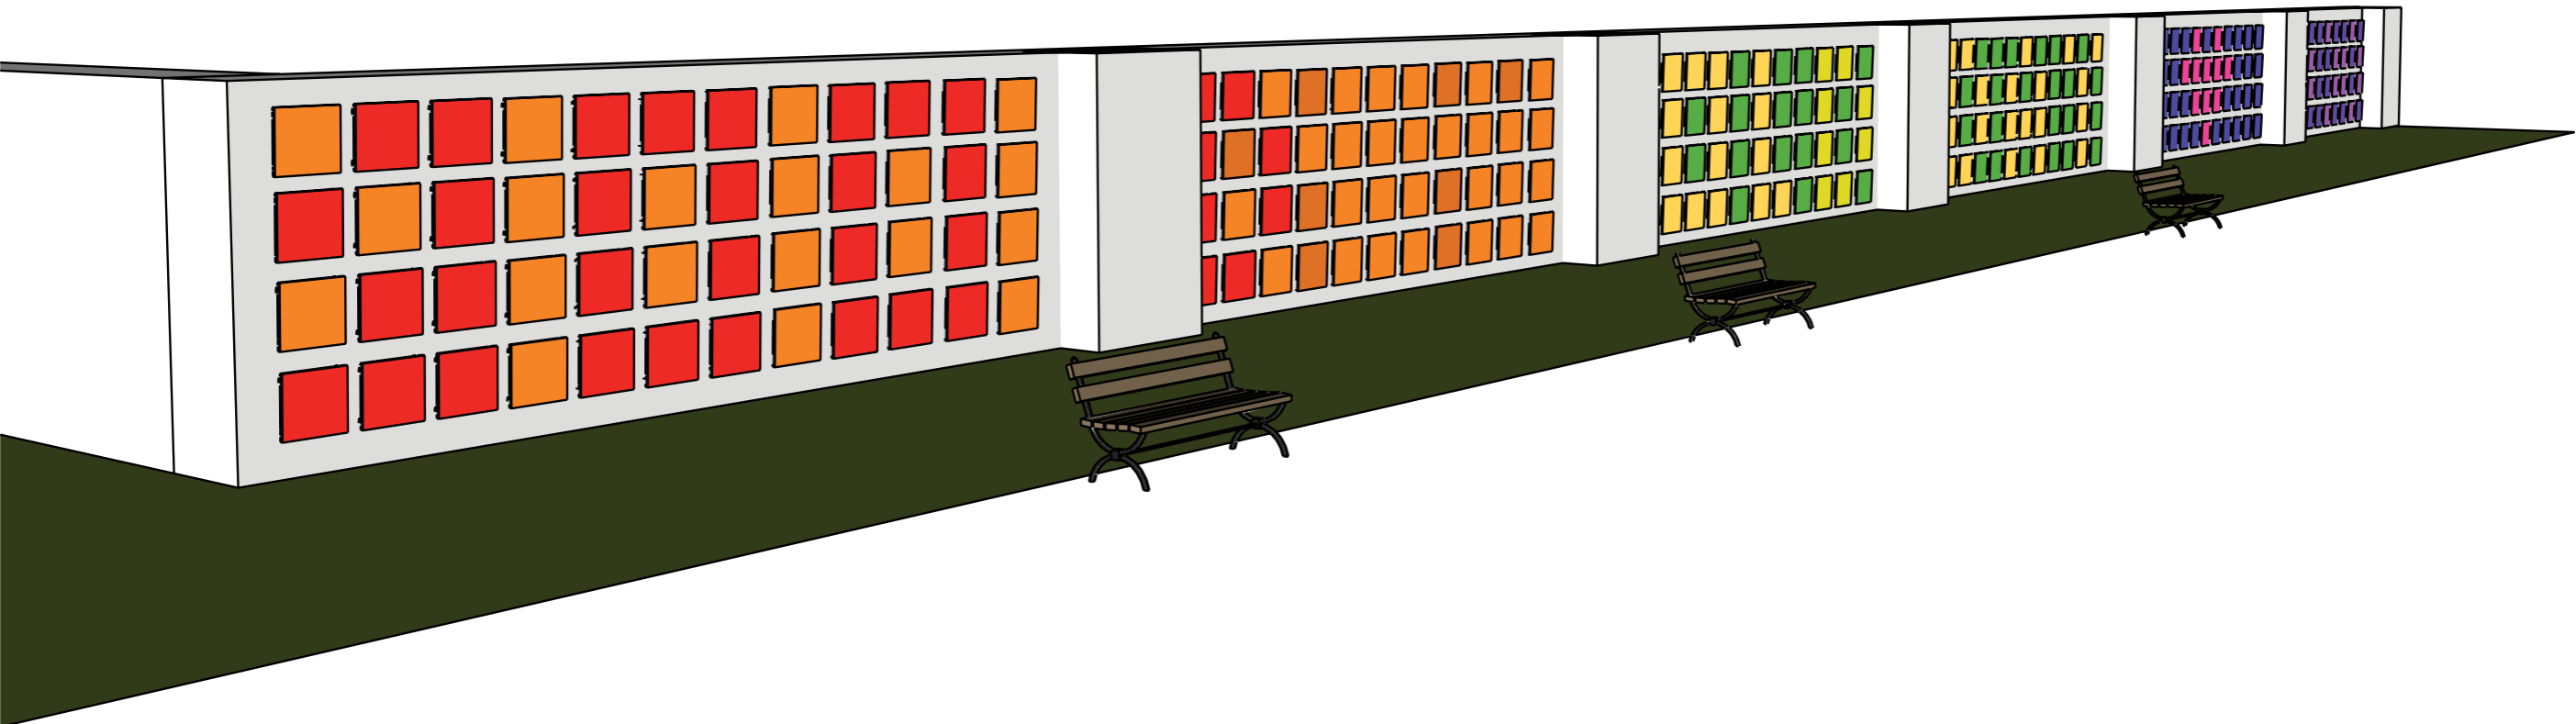

Paint

Outdoor paint (oil based) + ETCN Premier
= \$ 100 / 2 litre

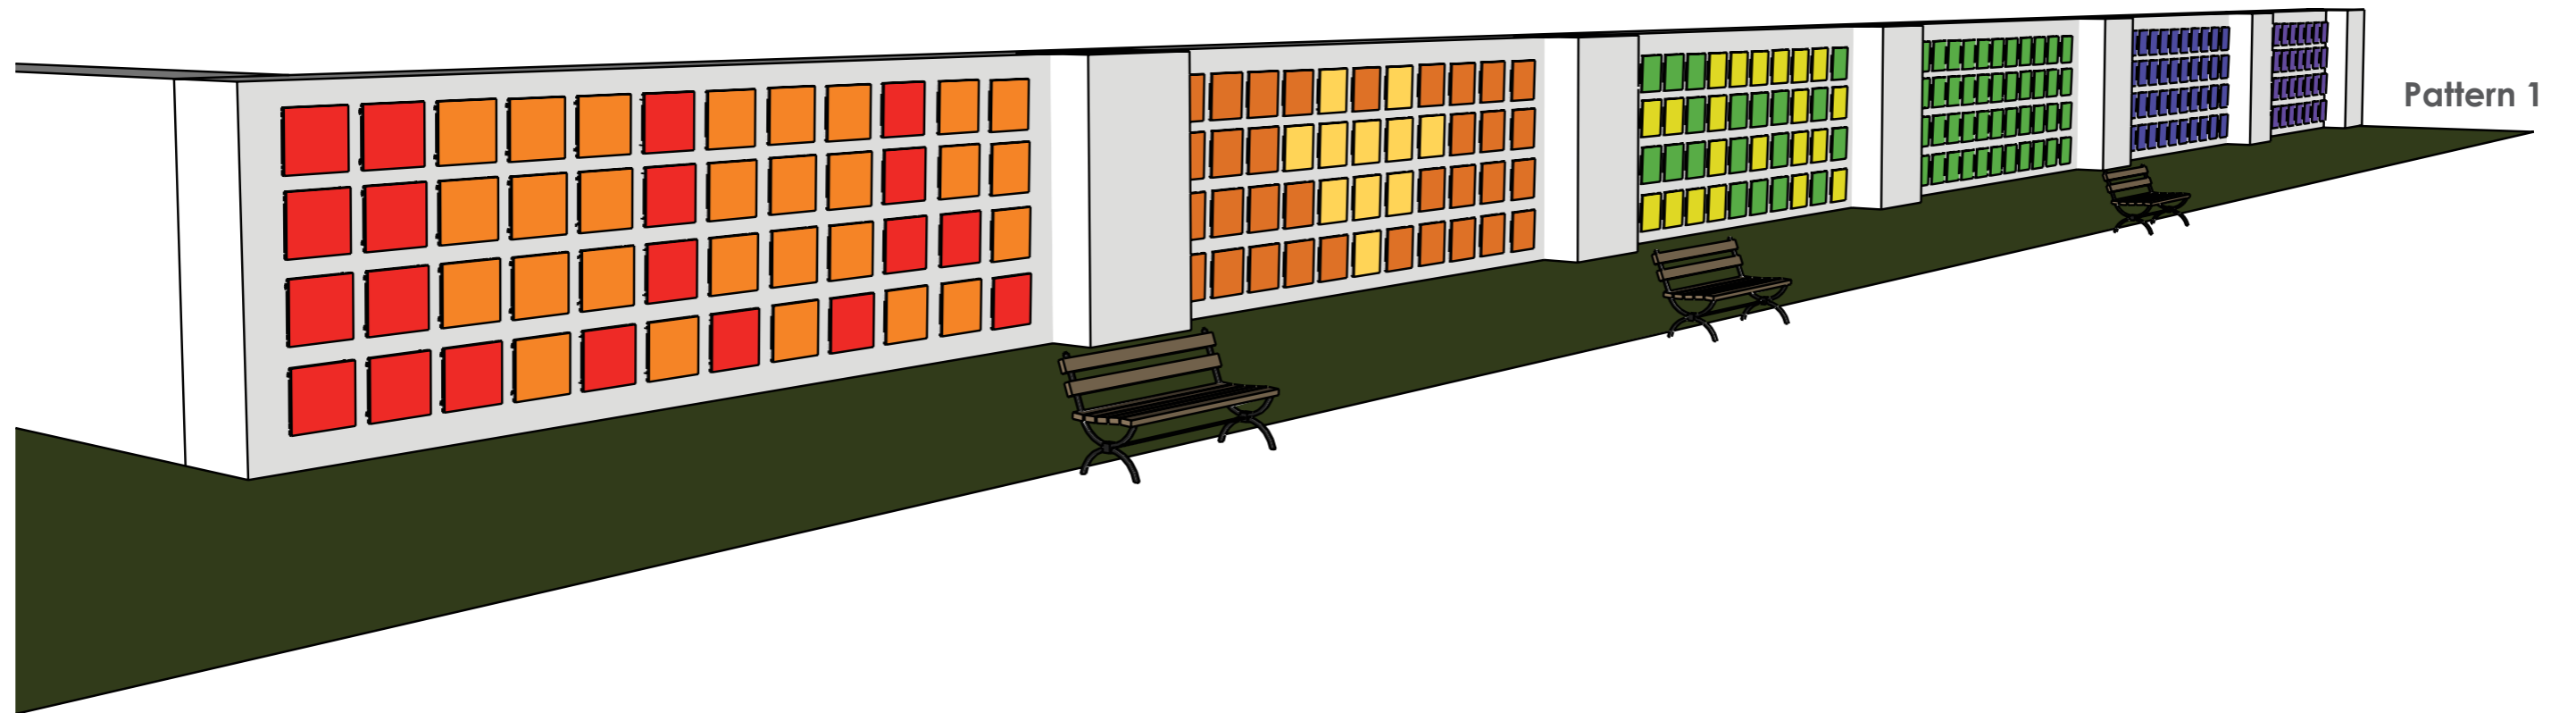

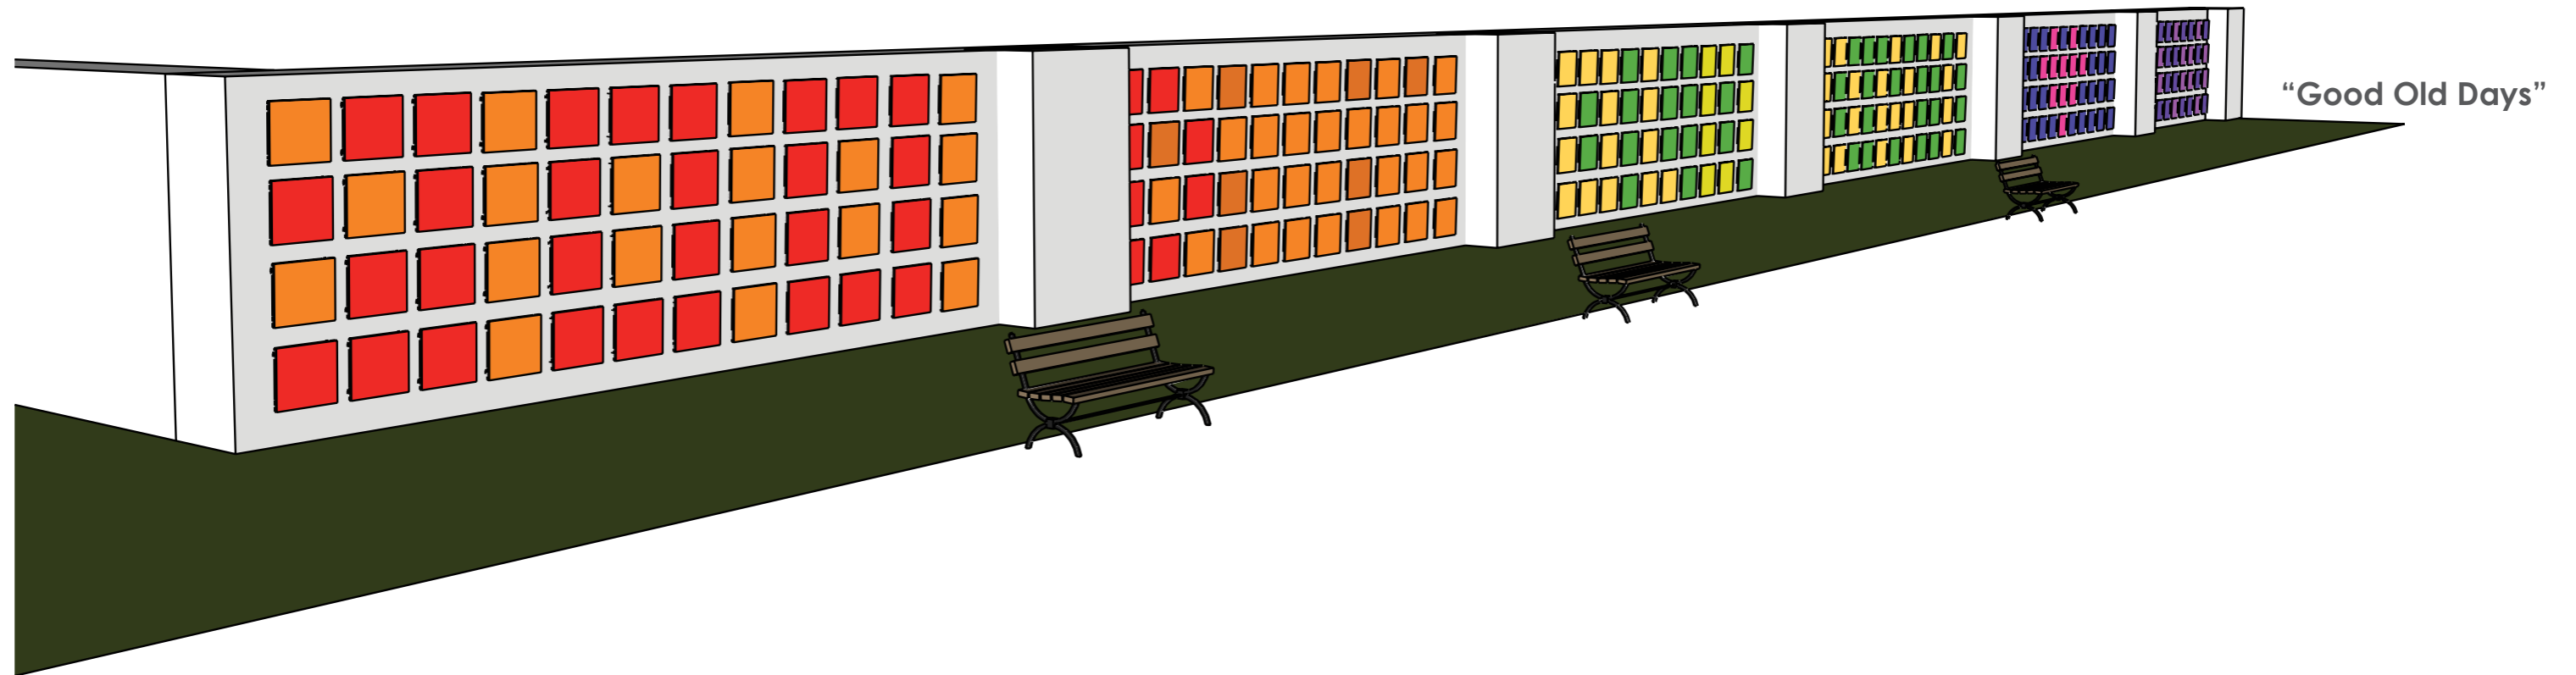

\$100 x 10 paint (approximately)
= \$1000

Other

Brushes
Liquid nail
